A NPR CONCIERGE BEST BOOK OF THE YEAR "Jane fans rejoice! . . . Exceptional storytelling and a true delight." —Helen Simonson, author of the New York Times bestselling novels Major Pettigrew's Last Stand and The Summer Before the War Mary, the bookish ugly duckling of Pride and Prejudice's five Bennet sisters, emerges from the shadows and transforms into a desired woman with choices of her own. What if Mary Bennet's life took a different path from that laid out for her in Pride and Prejudice? What if the frustrated intellectual of the Bennet family, the marginalized middle daughter, the plain girl who takes refuge in her books, eventually found the fulfillment enjoyed by her prettier, more confident sisters? This is the plot of Janice Hadlow's *The Other Bennet Sister*, a debut novel with exactly the affection and authority to satisfy Jane Austen fans. Ultimately, Mary's journey is like that taken by every Austen heroine. She learns that she can only expect joy when she has accepted who she really is. She must throw off the false expectations and wrong ideas that have combined to obscure her true nature and prevented her from what makes her happy. Only when she undergoes this evolution does she have a chance at finding fulfillment; only then does she have the clarity to recognize her partner when he presents himself—and only at that moment is she genuinely worthy of love. Mary's destiny diverges from that of her sisters. It does not involve broad acres or landed gentry. But it does include a man; and, as in all Austen novels, Mary must decide whether he is the truly the one for her. In *The Other Bennet Sister*, Mary is a fully rounded character—complex, conflicted, and often uncertain; but also vulnerable, supremely sympathetic, and ultimately the protagonist of an uncommonly satisfying debut novel.

"Guarantees characters that glow with equal parts wit, sass, and sensuality." Library Journal (Starred Review) The first in a fun, flirty new series from Mia Sosa! After a very public breakup with a media-hungry politician, fitness trainer Tori Alvarez escapes to Aruba for rest, relaxation, and copious amounts of sex on the beach—the cocktail, that is. She vows to keep her vacation a man-free zone but when a cute guy is seated next to her on the plane, Tori can't resist a little harmless flirting. Hollywood heartthrob Carter Stone underwent a dramatic physical transformation for his latest role and it's clear his stunning seat mate doesn't recognize the man beneath the shaggy beard and extra lean frame. Now Carter needs help rebuilding his buff physique and Tori is perfect for the job. It doesn't hurt that she makes his pulse pound in more ways than one. Sparks are flying, until a pesky paparazzo reveals Carter's identity. Tori is hurt and pissed. She wants nothing to do with another man in the limelight, but she's still got to whip him into shape. Can Carter convince Tori he's worth the threat to her privacy that comes with dating a famous actor, or will Tori chisel him down to nothing before he even gets the chance? Grab the popcorn...

Mebet concerns a man of the taiga, a hunter, in a moving narrative that blends ethnographic detail, indigenous mythology, and the snowy landscapes of the Arctic. The protagonist is a Nenets, a member of one of the peoples who call far northern Russia home. Dubbed "The Gods' Favorite" for his seeming imperviousness to harm or grief, Mebet earns the envy and derision of his fellow tribesmen. He lives that carefree and blessed life until his old age, when one day a supernatural messenger arrives to lead him to where the realms of the living and the dead meet. Now the God's Favorite must confront the price to be paid for his elevated position, and a series of dread trials that lie in store. Called a dark and terrifying fantasy and the Nenets Lord of the Rings by Russian writer and journalist Sergey Kuznetsov, Grigorenko's Mebet is a powerful story about humanity, personal fate, and responsibility. Leading Russian literary critic Galina Yuzefovich welcomed Mebet as a true epic for the Nenets, a book that is profound, thrilling and vibrant. Whether the book will earn that lofty place within Nenets culture remains to be seen, but the very publication of the book marks a watershed event. Published with the support of the Institute for Literary Translation, Russia.

In her acclaimed novels, Susan Vreeland has given us portraits of painting and life that are as dazzling as their artistic subjects. Now, in *The Forest Lover*, she traces the courageous life and career of Emily Carr, who—more than Georgia O'Keeffe or Frida Kahlo—blazed a path for

modern women artists. Overcoming the confines of Victorian culture, Carr became a major force in modern art by capturing an untamed British Columbia and its indigenous peoples just before industrialization changed them forever. From illegal potlatches in tribal communities to artists' studios in pre-World War I Paris, Vreeland tells her story with gusto and suspense, giving us a glorious novel that will appeal to lovers of art, native cultures, and lush historical fiction.
