by John Reynolds The Citroën 2CV is a cultural icon that formed as essential a part of the French way of life as Beaujolais or Camembert. The pure logic of its engineering and the integrity of its design won it a legion of fans around the world, not least in the UK. Almost seven million of its various versions and derivatives were built, and today, years after its manufacture ceased, it is still as popular as ever. Now available in paperback, the third edition of this classic book tells the full story and is packed with appealing photographs, some in colour. spectacular value for money...fitting tribute Classic Car Mart a great read Auto Express

To the true francophile, the Deux Chevaux is a cultural icon that ranks with the greatest creations of French engineering. For more than four decades it formed an essential a part of French life. Reynolds offers readers a newly updated definitive illustrated history.

Twelve years in design and development and 41 years in manufacture, the Citroen 2CV is one of the longest-running motoring success stories. Almost seven million of its various versions were built and this text chronicles the conception, life and death of the French people's car.

Ford cars can be found all over the world, and vintage models appear at most classic car shows. This book helps to identify the models sold by Ford of Britain, and provides detailed information on each model, with technical specifications, original colour photographs, and lists the colour schemes that were available. Continuing this popular series covering classic British cars, David Rowe now turns his keen eye to the British Ford models. He is well placed to do so, having worked at two Ford dealerships over a 30-year period and has driven many of the models covered by this book.
