9 - Les Punks
10 - La révolte par le Style
Deuxième partie
Conclusion
Repères bibliographiques
Pages de fin.

In his previous landmark book on youth culture and teen angst, the award-winning England's Dreaming, Jon Savage presented the "definitive history of the English punk movement" (The New York Times). Now, in Teenage, he explores the secret prehistory of a phenomenon we thought we knew, in a monumental work of cultural investigative reporting. Beginning in 1875 and ending in 1945, when the term "teenage" became an integral part of popular culture, Savage draws widely on film, music, literature high and low, fashion, politics, and art and fuses popular culture and social history into a stunning chronicle of modern life.

This long-awaited bibliography of recent books about theatre architecture, scenography and costume, published with the support of Belgian Ministry of Culture and the «Théâtre & Publics» Association, has been prepared in collaboration with experts in five languages: English, French, German, Italian and Russian. This extensive bibliography, which meets the demands of the International Theatre Institute organizations and the International Organization of Scenographers, Theatre Architects and Technicians, will prove useful to theatre practitioners as well as to confirmed or young theatre scholars. Cette bibliographie rassemble un choix d'ouvrages sur le théâtre et l'architecture, la scénographie, le costume. Elle a bénéficié de la collaboration d'experts internationaux (anglais, français, allemands, italiens et russes). Répondant à la demande de l'IT (Institut international du théâtre) et de l'O'ISTAT (Organisation internationale des scénographes, techniciens et architectes de théâtre), cette bibliographie en cinq langues est un précieux outil pour tout praticien et théoricien du théâtre.

Exhibition held at the J. Paul Getty Museum, Los Angeles, 13 November 2001 to 3 February 2002.

The collaboration between the Textile Department of the University of Minho and the Brazilian Association of Studies and Research (ABEPEM) has led to an international platform for the exchange of research in the field of Fashion and Design: CIMODE. This platform is designed as a biennial congress that takes place in different European and Latin American countries with the co-organization of another university in each location. The current edition was jointly organized by the University of Minho and the Centro Superior de Diseño de Moda (CSDMM) - Universidad Politécnica de Madrid. CIMODE's mission is to explore fashion and design from a social, cultural, psychological and communication perspective, and to bring together different approaches and perceptions of practice, education and the culture of design and fashion. Through an interdisciplinary dialogue and intercultural perspective, CIMODE wants to generate and present new scenarios about the present and future of fashion and design. 'DISEÑO AL REVÉS' ('BACKWARD DESIGN') was the central theme of the 4th CIMODE (Madrid, Spain, 21-23 May 2018), which produced a highly topical and relevant number of academic publications presented in this book.

Ce livre nous invite à une réflexion diachronique et multidisciplinaire qui met en cause l'éthique traditionnelle du monde occidental. Servi par une culture impressionnante, André Guindon nous révèle, à travers l'histoire des sociétés, la signification profonde de comportements qui dépassent largement la langue et l'écriture. Pourquoi la différence sexuelle est-elle si marquée par le vêtement ? Comment les sociétés choisissent-elles d'habiller le pouvoir ou de dénuder ceux qu'elles veulent humilier ? Et même, comment définir la nudité ? L'Habillé et le nu est une incursion audacieuse dans un domaine encore en friche, au point de rencontre d'une éthique des comportements et d'une sociologie de la parure. Pour André Guindon, cette réflexion doit nous apprendre à discerner les pratiques susceptibles de favoriser une humanisation variée de la vie individuelle et d'améliorer les rapports intersubjectifs. L'auteur débat largement toutes les questions, sans puritanisme, dans la perspective d'une réflexion éthique contemporaine et d'une gestuelle chrétienne authentique.

This history reveals youth, both as a concept and as a social group, to be a primary factor in France's postwar rejuvenation and cultural reconstruction in the wake of the Second World War.

Nessun genere musicale è mai riuscito a creare così tanta arte e cultura al di fuori del suo contesto, come ha fatto il rap. Questo è stato possibile grazie al fatto che la musica rap affonda le sue radici in una formidabile “subcultura”, nata a New York agli inizi degli anni Settanta e poi diffusasi in tutto il mondo dalla metà degli anni Ottanta in poi”. Partendo dalle fondamenta di questo fenomeno culturale, o meglio, “subculturale”, il saggio di Simone Nigrisoli mette in luce gli aspetti e i processi che hanno portato l'Hip Hop a rappresentare uno dei movimenti musicali (e non solo) più interessanti degli ultimi quarant'anni. Dai suoi primi passi, mossi nei sobborghi delle metropoli americane, fino al suo approdo in Europa e in gran parte del mondo. Un lavoro significativo che si auspica possa interessare non solo gli addetti ai lavori e il loro pubblico ma anche chi, a livello accademico, studia le molteplici forme delle produzioni socio-culturali umane. Simone Nigrisoli è un giornalista pubblicista iscritto all'ordine della Valle d'Aosta. Abita a Roma, dove svolge le attività di giornalista, scrittore e fotografo. Ha studiato a Urbino nella città di Raffaello Sanzio, dove si è laureato in Scienze delle Comunicazioni all'Università Carlo Bo. Nella sua carriera ha collaborato diversi anni con il Resto del Carlino, scrivendo nelle pagine di arte, cultura, cronaca e politica.
